

The EU has amended Council Regulation (EU) No. 833/2014 to extend the catalogue of banned imports listed in Annex XVII effective from 1 October 2023, which now includes additional iron and steel products and materials of Russian origin.

In summary, the amended Regulations states:

1. It shall be prohibited:

- a) to import, directly or indirectly, iron and steel products as listed in Annex XVII into the Union if they:
(i) originate in Russia; or (ii) have been exported from Russia:*
- b) to purchase, directly or indirectly, iron and steel products as listed in Annex XVII which are located, or which originated in Russia:*
- c) to transport iron and steel products as listed in Annex XVII if they originated in Russia or are being exported from Russia to any other country.*

For further details on the amended Council Regulation (EU) No. 833/2014, please review the below link created and circulated by the European Commission:
